News Sheet 591

October 2026

Recently, I have enjoyed getting my walking boots on. I love getting out with The Ramblers when I have time. When I was in the Peak District in August, it was as if all the colour and moisture had been squeezed out of the landscape. Fields were yellow and brown rather than the normal vivid shades of green. The rivers and streams were devoid of water and wildlife was hard to spot. Everywhere felt dry and desolate and it was very hot.

When I went out in Norfolk in mid-September, it was as if nature was coming back to life. The soil was no longer dust, the landscape green, shining berries clustered on bushes to feed small creatures over the winter months and wildlife had returned. We saw and heard migratory birds and encountered fallow deer.

We are entering what the poet John Keats described as the season of mists and mellow fruitfulness. It is a time of harvest thanksgiving services in our churches and our benefice Harvest Supper, which is open to everyone in our villages and beyond. It is a time to thank God for all his gifts to us and for the wonder of creation.

However, amongst all the joy, we are starting to see firsthand the effects of climate change. We may feel that there is little we can do but many people, each doing something small to care for our home planet can add up to significant change.

Enjoy this season of harvest and autumn as we thank God for his many gifts to us and work together to care for our planet.

Every blessing, **Revd Coryn**

Bishop Ian, the Bishop of Thetford, will be visiting the benefice for a Confirmation Service on Sunday 7th February. If you are interested in being confirmed or just exploring your faith, please let Revd Coryn know.

Rev. Eiler Mellerup - Thank you!

After decades of ministry with the Coastal Group, Eiler has decided that the time has come to retire.

Eiler was ordained as a local minister 30 years ago and has served within the Coastal Group ever since, working alongside four different Rectors and ably keeping things going during the vacancies.

Eiler is very much a people person, expressing her Christian faith in practical ways. As well as leading Sunday services, baptisms, weddings and funerals, she has been a big support to the community, visiting sick people in hospital and at home. Over the years Eiler has spent a lot of time sitting with people who were on their own, lonely or housebound, which has been much appreciated. She has organized several coffee mornings and sales each year, which as well as raising thousands of pounds for Lepra, MacMillan, and church funds, have provided wonderful social get togethers for the community.

All of us in the Coastal Group would like to thank Eiler for her kindness, commitment, faithful service, wisdom, love and support for so many years, and we wish her a happy and restful retirement.

WITTON St. Margaret's

Well, how the seasons change! The baking hot summer left the churchyard brown and a real fire risk. Then came the rains and in no time at all everywhere was green again. So hopefully all the wild flowers will have set seed for a good show next year. We look forward next month to Karl with his scythe cutting the Conservation areas again, all helps the biodiversity! Thanks to all who supported the Cake Week in August which raised £117, a special thanks to all who baked without charge! One thing of note this summer has been quite a reduction in visitor numbers to St Margaret's, possible due to the excessive heat and cheap overseas holidays?

Services in October follow the usual pattern of Morning Prayer on Sunday 11th and Holy Communion on Sunday 25th, both at 11.30am.

As always all very welcome at St. Margaret's.

Charles and Gillian Owles 01692 650223

RIDLINGTON St. Peter's

Rain in Summer

How beautiful is the rain!

After the dust and heat,

In the broad and fiery street,

In the narrow lane,

How beautiful is the rain!

Across the window pane

It pours and pours;

And swift and wide,

With a muddy tide,

Like a river down the gutter roars

The rain, the welcome rain! W H Longfellow

Indeed! Our Pet Service on September 6th was attended by 10 dogs, 3 giant snails (names Michelle, Rochelle and Shelley) and 26 carers and friends. The afternoon was sunny and warm so we were able to gather outside for a fun service of praise and thanksgiving for our pets, past and present. Photographs of pets that could not (or would not?) attend were also blessed. Thanks to Coryn, and Beverley for bringing her keyboard and playing for us.

Our service for Harvest Thanksgiving and Praise will take place on October 4th at 3pm as usual. All are welcome.

HAPPISBURGH ORGAN FESTIVAL 2026

By common consent I think I can say that David Ballard's recital on 5th September was one of the very best we have had in the past seven years. Great choice of items and astonishing playing. It was the perfect way to sign off this year's concerts.

So onto next year's eighth series. The following players have been engaged to entertain us.

1st May 2027, Graham Thorpe, Assistant Master of Music & Sub-Organist, Norwich Cathedral;
5th June, Jonathan Stamp, Head of Music at King Edward VI Grammar School, Norwich;
3rd July, David Berwick, Organist St. Mary's Happisburgh;
7th August, Matthew Bond, Organist St. Nicholas' North Walsham;
4th September, Timothy Patient, Director of Music at Eye Church, Suffolk.

At the July concert next year we will be celebrating the organ's 150th birthday with a bit of a party! As the attendance at David Ballard's recital was so fulsome in September we will be extending the festival again next year to five recitals. Thank you to everyone who came and supported our concerts this year – we are so grateful. Also very warm thanks to the refreshments team that looked after us so well after each concert this year, and to everyone else who gave vital support behind the scenes. See also www.organrecitals.uk. *David Berwick*

I'm sure that the many people who have enjoyed this year's festival would like to extend their thanks to David for all his organizational efforts in bringing such wonderful musical evenings to Happisburgh - thank you David!

First aid training – The Broadland First responders are offering to provide the one day first aid at work course to anyone involved in running charities for £25 per person plus a small charge for hiring a venue – we know how difficult it is to run charities and commercially the training would cost over £200 for the same course. If anyone is interested can they 'e' mail george@vistatraining.co.uk with their details and the charity they are involved in to see if there is sufficient demand.

LESSINGHAM AND HEMPSTEAD WITH ECCLES

We wish to thank Eiler as she retires. She has been a friend to us all as well as being a wise and supportive curate in the Coastal Group.

In the August news sheet I wrote about the insect survey of the wildlife area of Lessingham churchyard. The results are on the porch notice board. In September there has been a further survey by a very knowledgeable parishioner. The results are also on the notice board. I realise care of churchyards is a marmite issue. Either you think what an untidy mess or you see it as a haven for numerous species of wildlife, flowers, insects etc. In other words God's Little Acre. *Margaret Henderson 581858*

LESSINGHAM METHODIST CHURCH

Sunday Worship at 11am every Sunday. Everyone welcome.

The Lighthouse Cafe is open at the Chapel on the second and fourth Wednesday each month, from 10.30am to 1pm where we shall be serving hot drinks and light lunches. There is no charge, but any donation would be very welcome.

Lighthouse Lunches usually happen on the 3rd Thursday of each month when two course hot lunches are served with tea/coffee to follow. Everyone is welcome to come and share in fun, food and fellowship at 12 noon for 12.30pm. The cost is only £7.00. Please book with Ros Peedle, phone 07976 720440 or email Ros.peedle@live.co.uk by the previous Sunday night.
