News Sheet 544

July 2022

Let us, as we welcome the month of July, consider what those thirty-one days will mean for us. First though, we must say farewell to June and say thank you.

What a month it was, like no other! The month of the Platinum Jubilee celebrations to mark the seventy years on the throne of Her Majesty the Queen.

We had beacon-lighting, community parties, sports, exhibitions, church services, pageantry and holiday too. Some words were used to describe Her Majesty, service, dedication, faith and commitment.

It was a once in a lifetime experience for us all, filling us with many memories for the future. I am sure we shall all remember Her Majesty with Paddington Bear and the marmalade sandwich!

So much organisation and cooperation so, thank you all, it was worth it and much appreciated.

Now, July follows June, as it always will and it offers something personal to each one of us. You may see July as your month, your birthday month, or an anniversary, so July to you offers excitement. It may have a sad memory or just be a whole empty month and no plans at all.

As an ex teacher, July always promised the beginning of the long summer holiday, time to relax, play and travel. I am sure many of you feel the same. July is a holiday month.

July is also a very beautiful month often hot and sunny, sometimes wet and dark, it doesn't matter, the countryside is bold and splendid, the fields are full of colour, crops, poppies and woodland. There is also plenty of wild-life, birds in families, butterflies and animals. A very different atmosphere from the June celebrations. It gives us time to watch, look, listen and wonder and to be so thankful we live in such a beautiful place.

A prayer.

*Lord thank you for bringing us to this new month. May we fill it with praise, thanksgiving and hope.*

*Amen.*

Have a good July.

Eiler.

It is with much sadness we report the sudden passing of Jim Saunders. Jim helped with many fundraising events for St. Margarets and will be fondly remembered for his enthusiastic participation in Christmas Day services and especially addressing the Haggis at the Burns Night. We send Helene and family our sincere condolences.

At the time of writing, the next service in July has not been finalised, but will be advertised in the "Church Services at a glance" section.

There will also be a service on Sunday 21<sup>st</sup> August, the weekend of the Vintage Harvest in the field adjoining the church. This will be a short service in the tent if raining, to bless the proceedings, as there will be a display of vintage bits and pieces as well as photos etc. in the church.

Then in September the Harvest Festival will be on

## **HAPPISBURGH**

### **Organ Recital Series 2022.**

It is very pleasing to record that a large audience thoroughly enjoyed the entertaining recital by Timothy Patient on 4<sup>th</sup> June. Many thanks to everyone who attended. We would be more than delighted to see you again on 2<sup>nd</sup> July when we welcome Daniel Justin who will be making his first visit to St. Mary's. Daniel is Master of the Music at St. John's Roman Catholic Cathedral, Norwich, and we are very fortunate to have him spend an evening with us. I heard him play an exceptionally attractive recital in Norwich last year and he has promised to include some of those items for us. His playing will delight you. The recital starts at 7.30pm and concludes with light refreshments at 8.45pm. FREE entry. Retiring donations will be very gratefully received, and these will be divided between the main church fund and the organ fund. As ever, a warm welcome awaits you. The final recital in this year's Organ Festival on 6<sup>th</sup> August sees a welcome return by Jonathan Stamp from the King Edward VI Grammar School in Norwich. (DAB).

## **HAPPISBURGH PARISH COUNCIL**

### **Thank you**

The Parish Council wishes to record its thanks to Cllr George Siely who has managed the allotments on behalf of the village for many years and has now stepped down from the role.

### **Glass recycling**

Over the last 12 months the Parish Council has received over £220 from Norfolk County Council from bottle bank recycling. Please save your glass and recycle it using these banks rather than using your recycling bin, if at all possible. This money means that Parishioners' parish council portion of council tax is lower because the Parish Council receives income from glass recycling. Recycling really does save everyone in the village money.

Clerk: [happisburghparishclerk@hotmail.co.uk](mailto:happisburghparishclerk@hotmail.co.uk)

Parish Council meetings generally take place in the Wenn Evans Centre on the second Monday of every month at 7.30pm.

## **RIDLINGTON St. Peter's**

Our next service at St Peter's to be held on the 3<sup>rd</sup> of July at 3pm will be to celebrate the Festival of St Thomas. Not much is known about 'Thomas the Doubters' early life but I'm sure Hillary will be able to tell us more.
