News Sheet 579

September 2025

September is my favourite month. It signals a change in season, what the poet e.e. cummings describes as “septembering.” The fullness of summer with its long days and sunlit evenings begins its migration to winter leanness. Days get shorter, signalling leaves to fall, and nuts – chestnut, acorn, beech, wild hazelnut, and horse chestnut - plump and fall to the ground. It is a time of change, of new beginnings; of out with the old, and in with the new.

There is a gentleness around September as the land begins to transit softly towards hibernation. For me September, and the changes it announces, is a liminal space in the year full of quiet change, and hope of new beginnings. It is a time to regroup - a moment to breathe in a colder and longer breath - and to be reminded anew that the law of energy output requires a change in pace, and from summer and its activities to one that lets batteries recharge. It is a time of grace, when spring and summer activities give way to the slower pace Autumn and Winter provide.

Of course, we, too, are caught up in our own domestic forms of change, of migration, as well as new beginnings. Summer’s clothing undergoes its own hibernation in out-of-sight drawers and closets to make space for winter garb; little and older ones progress to new forms of education.

Set against our varied experiences of septembering and the change in season repeated since the dawn of time, as well as the challenges of new beginnings, it is good to ponder a reality not prone to the vagaries of our changing seasons. God declares about himself, “I am the Lord, I change not” (Malachi 3 verse 6). Jesus Christ, we are reminded, “is the same yesterday, today, and forever” (Hebrews 13 verse 8). It is also reassuring to know that this same God has similarly experienced, through Jesus Christ, the same challenges we face in our various domestic changes, whether they be new beginnings, migrations, or hibernations.

Happy septembering!

### WITTON St. Margaret's

On Saturday 13th September we look forward to welcoming cyclists, walkers and car drivers for the annual Norfolk Churches Trust "Bike Ride", we will have a rota of "sitters" to greet the visitors. On past experience it is disappointing to call in at a church only to find no one there.

At the moment the September services are BCP Holy Communion on Sunday 14th and Morning Prayer on Sunday 28th. In October there will be only 1 service, Morning Prayer on Sunday 12th, as there will be a Benefice Service on the 28th.

There continues to be a steady flow of appreciative visitors during the summer. And what a summer it has been, droughts, heatwaves and torrential downpours. Could it be global warming or simply weather? Can you remember 1976?! Let's hope for a benign autumn full of "mellow fruitfulness" that will feed our bats so that they can have a good long winters rest and so reduce our time spent cleaning up after them!

Charles and Gillian Owles 01692 650223

### RIDLINGTON St. Peter's

*The forest ended. Glad I was  
 To feel the light, and hear the hum  
 Of bees, and smell the drying grass  
 And the sweet mint, because I had come  
 To an end of forest, and because  
 Here was both road and inn ....* Edward Thomas

Praise and Prosecco was a happy event on August the 3<sup>rd</sup>, even though in church rather than outside as hoped, due to the threat of rain. Many thanks to Fiona for lovely flowers and cake. Our harvest festival will be held at 3 pm on September 7<sup>th</sup> when we look forward to familiar harvest hymns once more and maybe apple cake and cream afterwards. We have some celebrated cooks among our worshippers, so here's hoping..

### HAPPISBURGH ORGAN FESTIVAL 2025

Seventy people were in the audience on 2<sup>nd</sup> August for the final recital in this year's concert series, which was given by David Berwick, celebrating his 60th anniversary as an organist. David's recital put all that experience to wonderful use as he treated us to a varied and thoroughly enjoyable programme, from the reflective 'Aria' by Peeters to the stirring 'Dam Busters March' via two Tudor Dances composed by David himself. The audience were very appreciative of both this recital and also all David's efforts in organizing these Festivals. Thank you David! [Ed]

The Festival Committee thanks you once again for the wonderful support you have given us this year. The popularity of these concerts seem to be growing year on year, and this is very pleasing. Thank you to all the people who work very hard behind the scenes to ensure our events are not only well publicised but also work smoothly on the night. The committee will be meeting soon to discuss next season and hope to publish all next year's dates and recitalists in the November edition of this News Sheet.

The Walcott village show was once again very successful under the stewardship of Sheila Mason with almost 200 entries despite many seasonal growing difficulties. It was an all round excellent family occasion raising £106.50 for the village hall fund and £62 Broadland First Responders. This year we were joined by Mike Pyke with a display of Walcott's history and Margaret Luckett-Gray selling her poetry book "Responding to memories" for the First Responders. The Maurice Gray memorial shield for photography went to Pete Butler with a stunning photograph of a swan. We would like to thank everyone who supported the show.

**Book swap cupboard** – is to the right of the hall entrance and can be accessed at any time. Please only leave books if they can be placed in the cupboard due to the inclement weather.

**Broadland Community First Responders** – for those who don't know us, we are the volunteers who are trained and dispatched by the ambulance service to incidents requiring a blue light response in our villages. We would like to extend a huge thank you to those who have supported us at the plant sale, village show and purchasing the booklet of poems written by Margaret Luckett-Gray as well as direct donations. Two new recruits finished their training on Saturday which increases our team to 12 with two more undergoing training. The money we need to raise, pays for some uniform and equipment the Ambulance service don't provide us with so it is fantastic to know we have so much local support – thanks again. If anyone is interested we will be running one day first aid at work recognised courses during the winter as a fund raiser so if you want more details please let me know george@vistatraining.co.uk.

## LESSINGHAM METHODIST CHURCH

**The Lighthouse Cafe** is open at the Chapel on the second and fourth Wednesday each month, from 10.30am to 1pm where we shall be serving hot drinks and light lunches. There is no charge, but any donation would be very welcome.

Quilts, cushions, bags and other craft items will be on display and there will be items available to purchase. To offer items for display or to book a sales table contact Ros Peedle ros.peedle@live.co.uk.

## SEA PALLING INDEPENDENT LIFEBOAT

As we write this, we're looking out over this beautiful stretch of coastline. The weather is fine, and both tourists and locals are making the most of everything it has to offer.

Our volunteers have had a busy start to the holiday season, with three call-outs from our tasking authority, the HM Coastguard. The crew trains hard throughout the year to ensure they're always ready. When the call comes, having solid skills and a strong understanding of the local area is absolutely essential.

With that in mind, the crew has spent multiple training sessions around the Waxham area recently. This part of the coastline can be particularly challenging, so the opportunity to build local knowledge there has been invaluable.

We're always keen to welcome new people who would like to give something back to the community—whether that's as boat crew, shore crew, support crew, or in a fundraising role. If you're interested, do get in touch. Even if you'd just like to meet the team and have a tour of the station, we'd love to hear from you. By the next time we catch up, our Lifeboat Day will have passed—keep an eye on social media for some great photos from the event! We look forward to telling you all about it soon. In the meantime, stay safe.

## LESSINGHAM AND HEMPSTEAD WITH ECCLES

Our harvest thanksgiving service will be at 10am on Sunday 14<sup>th</sup> September. Hopefully all the combining will be completed!

A reminder that the silent auction for the painting of Hempstead Church will be drawn at the coffee morning on October 25<sup>th</sup>. There are copies of the painting and bidding forms in both churches or from Jacky 07766888679.

The annual bike ride (you can now use a car) takes place on Saturday September 13<sup>th</sup>. Both churches will be open. Sponsor forms are also available in both churches.

September is also the month for season of Creationtide. It is dedicated to God as creator and sustainer of all life. Increasingly we are aware of the need for responsible stewardship of the environment. Many churches are now joining this by not mowing some or all of the ground. Not only are there wild flowers but they are a haven for insects and other invertebrates. Currently the oak tree at Lessingham has enough acorns to create a forest. I'm sure the squirrels will do their best to distribute them!

## HICKLING

The Greyhound Bible Discussion Group will meet at the Greyhound Inn NR12 OYA at 3pm on Tuesdays 2<sup>nd</sup>, 16<sup>th</sup> and 30<sup>th</sup> September. We welcome visitors and those who might join us. We are making our way through The Psalms at each meeting followed by a discussion on a topic of interest.

The Julian Meeting for Christian Silent Prayer takes place at St Mary's, Hickling at 10.30am on September 9<sup>th</sup>. We start with a friendly cuppa and a chat before settling for silent prayer.

Our Prayer Walk will start at the NWT Hickling Reserve Visitors' Centre, NR12 0BW at 10.30am on Tuesday, 30<sup>th</sup> September.

On Tuesday 16<sup>th</sup> September, from 10.30am-12.30pm we shall hold a meeting for Prayer-through-Art in St Catherine's Church, Ludham NR29 5QA. You are invited to join us in this quiet space to draw on the images and architecture to inspire creativity. This is not a class: it is an opportunity to look at the familiar in more focus. Pencils, felt pens etc will be available. Simply bring paper or board. No paint, please. I ask you to consider a donation as a thank-you for the hospitality. Should anyone wish to find out more, do contact me, Zephney Kennedy, at 01692 598179.
