News Sheet 581

November 2025

November

What do we see? Darkness - short days, fog. Then bonfire night and Remembrance Sunday.

The poet Thomas Hood made a wonderful list of all the 'nos' of November- no sun - no moon - - - but November in its darkness, holds much for the future. I see it as a month of rest and silent preparation for the Spring and the months ahead.

We have just enjoyed a hot Summer - sun - colour and light. Now it is Autumn, the colours fade, the leaves fall, the days shorten, nuts and fruit fall from the trees, some animals hibernate, and yes, the geese are here again! November is a very important part of the rhythm of the year. A quiet time of rest and silent growth in preparation for the Spring. The bulbs we have planted will rest and delight us in the Spring. In our wonderful creation we learn everything is important, however small or dull, it matters.

The changing seasons, the regular tides, the twelve varied months that make up the year - each has its place. November may look and feel dull and dark, no sun - but there will be a moon, and November is here to stay.

We are heirs to all this wonder and beauty, the stewards in our time. November's promise is hope and brightness for the future. Let us pray we care enough to protect all the natural wonders we enjoy - even dark November.

Every blessing, *Eiler*

This year's **Remembering Loved Ones** service will be on Sunday 16th November at 3pm in St Mary's Church, Hickling. This will be a quiet service with time for reflection. The names of those who have died recently will be read aloud and there will be an opportunity to light a candle to remember your loved ones who have died. Refreshments will be available afterwards. All are welcome to attend, whether you have lost a loved one recently or much longer ago. If you would like a name of a deceased loved one to be read aloud as part of that service, there will be lists in each church across the benefice where you can add their name or let Revd Coryn know.

Advent study Group: The sessions will be based upon the book *Donkey Roads and Camel Treks* by Gemma Simmonds. Copies are available to buy if you would like one, please speak to Eiler or Coryn. Provisional dates are 1.30pm on Tuesday 2nd and 9th December, Wednesday 17th December and Tuesday 23rd December all at Happisburgh Rectory.

WITTON St. Margaret's

At the service on Sunday 12th October we were delighted to be joined by new faces which considerably lowered the average age of the congregation. Long may this continue! Revd. Coryn led the service as Margaret was unwell. We wish her a speedy recovery, she was sorely missed.

The conservation areas in the churchyard have now had a haircut, our appreciation to "Mo' and Meadow" for his scything and raking up as is recommended by the wildlife experts. Bat activity has at last reduced, hopefully for the coming winter months.

Services in November are Remembrance at 11.30am on Sunday 9th and Holy Communion on Sunday 23rd, also at 11.30am.

Looking ahead to December, the Carol Service has been fixed for **Sunday 14th at 11.30am**. Unfortunately this will be the only Service at St Margaret's over the Christmas period.

As ever, all are most welcome to our Services.

RIDLINGTON St. Peter's

November

*The south wall warms me; November has begun
Yet never shone the sun so fair as now,
While the sweet last left damsons from the bough
With spangles of the morning's storm drop down
Because the starling shakes it, while whistling what
Once swallows sang Edward Thomas*

Our Pet Service on October 5th was not that well attended, but Tilly, Vladimir, Sanday and two mollusc friends, with carers, made the most of it! Our Service of Remembrance will take place on Sunday, November 2nd at 3pm. All are welcome as always. Refreshments afterwards.

The Organ Committee is pleased to confirm the following soloists will be appearing in next year's festival. 2nd May David Dunnett; 6th June Matthew Bond; 4th July Richard Bower; 1st August Timothy Patient; 5th September David Ballard.

David Dunnett has recently retired as Organist at Norwich Cathedral and Matthew Bond (N. Walsham) has played since 2024. Richard Bower (E. Timothy Patient (Eye) has been an ever present since 2019 and David Ballard (Aylsham) last played in 2024.

All recitals are on Saturdays and start at 7pm. Admission and refreshments are free. We would welcome donations to defray the cost of maintaining the fine organ. *David Berwick*

Sea defence for Bacton & Walcott to end

Coastwise is a government funded project to plan for 'Coastline Transition'. The Environment Agency and North Norfolk District Council have decided to stop all repairs to the sea defences and 'Transition' means how the local community has to adapt to the loss of homes, farm, businesses and roads as the coast line is left to erode. The Coastwise project wants to hear your views and work with local people to create what they call 'Transition plans'. There are a number of events planned, 13 November and 11 December 4 to 8 p.m. in Walcott Village Hall are two of them, so if you have views on this issues go along to one of them and of course you can also contact our local MP and councillors if this is something you feel strongly about.

John Paul, local resident & Walcott Village Hall Bookings Clerk.

SEA PALLING INDEPENDENT LIFEBOAT

As the autumn months pass, our volunteers have been keeping busy with a full programme of station and equipment maintenance. It's been a demanding year for both our crew members and the kit we rely on, so this work is vital to keeping everything shipshape.

Alongside this, training and development remain at the heart of what we do. New volunteer crew are building their skills, while more seasoned members continue to advance through rough-weather boat handling, shore and boat crew training, and ongoing first aid practice. First aid is especially important, as we are often the first to respond when someone needs urgent help. We're delighted to be holding a tombola stall at the North Walsham Lights Switch-On on Friday 29 November, from 2.30pm to 7pm, with the lights themselves set to sparkle at 6pm. It's a wonderful chance to meet some of the crew, support the station, and soak up some festive cheer.

Speaking of festivities, the Elves have been in touch to let us know that Santa will be paying a special visit to Sea Palling in December. Date and time will be confirmed in the next newsletter and on our social media pages. These events help raise much-needed funds to keep our lifeboat service running, so do come along and lend your support.

HICKLING

The Greyhound Bible Discussion Group will meet at the Greyhound Inn, Hickling NR12 0YA, at 3pm on Tuesdays, on the 11th and 25th November. We welcome visitors and those who might join us. We are still making our way through The Psalms, as well as exploring the prophecies of Hosea.

The Julian Meeting for Silent Prayer will meet at St Mary's Church, Hickling NR12 0BQ, at 10.30am on Tuesday 11th November. Everyone is very welcome to join us for a cuppa and tranquil silent Christian prayer.

On Tuesday the 25th November we shall once again do our outdoor Prayer Walk around the NWT Hickling Reserve starting at 10.30am. Please bring your proof of Hickling address or NWT membership (or pay for parking) and meet in the Visitors' Centre. Should the weather be unfavourable, we shall meet at the Visitors' Centre, and together go elsewhere sheltered.

We shall resume our Prayer-through-Art visits to local churches in April 2026 when the warmer weather begins.

Should anyone wish to find out more, do contact me, Zephney Kennedy, at 01692 598179.
